

QUALITY POLICY

ASPLUNDH (NZ) LTD is committed to:

- Providing a competitive, efficient, professional service which recognises the value of providing customer satisfaction
- Providing a quality service, underpinned by employee safety, which minimises harmful environmental impacts

To fulfil this commitment Asplundh will:

- Place its number one priority on the safety of our employees and of others
- Ensure, as a minimum, that all our activities will comply with relevant legislation
- Provide education and training to ensure that all employees understand and comply with the policies, procedures and standards as set out in the Asplundh Integrated Management System
- Provide feedback and review processes to address non-conformances and introduce improvements
- Ensure continuous review and improvement of the Asplundh Integrated Management System
- State expectations, measure progress, reward achievement
