

Quality Policy

As a primary obligation, Asplundh is committed to meeting the needs, expectations and specifications of all our clients through our Quality Management System. This is achieved by:

The objectives of our Policy are:

- Complying with statutory obligations, standards, specifications and codes of practice relevant to quality management.
- Maintaining, monitoring, reviewing, auditing and continually improving the Quality Management System consistent with certification requirements of AS/NZS ISO 9001.
- Providing sufficient and suitable resources to implement and maintain the Quality Management System.
- Engaging suitably qualified, skilled, and experienced people.
- Educating and training our people to continually improve awareness, skills and knowledge of quality issues and practices.
- Identifying, reporting, investigating and resolving all non-conformances and taking action to prevent / mitigate recurrence
- Establishing, reviewing and communicating performance measures and taking action to improve outcomes
- Implementing effective communication systems that provide relevant and timely information regarding quality.
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers.
